VENEZIA COLLECTION

VENEZIA COLLECTION

Johnson Suisse is part of the Roca Group, the world's leading bathroom products manufacturer supported by a network of 85 factories in over 170 markets. A multinational corporation with design centres around the world to meet the standards and requirements of the Australian market, backed by local teams to provide support and services with a leading 25 years' VC warranty.

VENEZIA RIMLESS TOILET SUITES

The bold lines of the Venezia range embody a timeless and versatile design that suits a modern bathroom interior. The Venezia range utilises advanced rimless technology for high performance that makes the bathroom more attractive, hygienic and healthier.

VENEZIA COMPACT
RIMLESS SUITE
JTTV321JTTV312.311

- Modern style flush to wall vitreous china toilet suite
- Efficient rimless design for hygienic flushing
- Cistern with concealed back entry water inlet
- Compact, short projection suite suitable for smaller bathrooms
- Soft-close, quick release toilet seat made of Duroplast (Urea) material
- S or P trap configuration installation
- Variable S trap pan connector (95-185mm set out)

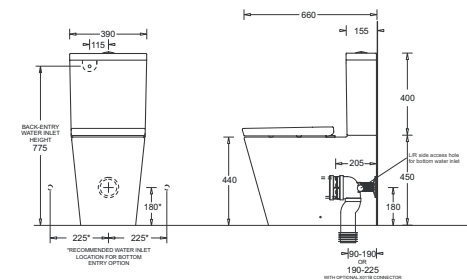

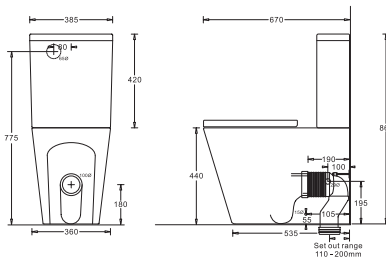

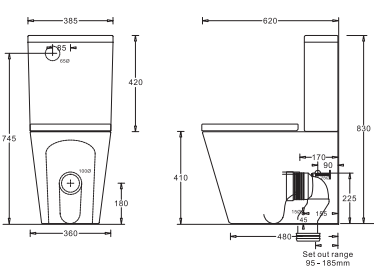

VENEZIA COMFORT
RIMLESS SUITE
JTTV331JTTV333.315

- Modern style flush to wall vitreous china toilet suite
- Efficient rimless design for hygienic flushing
- Comfort height pan for ease of use
- Cistern with concealed back entry water inlet
- Soft-close, quick release toilet seat made of Duroplast (Urea) material
- S or P trap configuration installation
- Variable S trap pan connector (110-200mm set out)

VENEZIA AMBULANT
RIMLESS SUITE
JTTV301J2371.101

- Ambulant Compliant (to AS1428.1) flush to wall vitreous china toilet suite
- Efficient rimless design for hygienic flushing
- Cistern with concealed back entry water inlet
- Soft-close, quick release toilet seat made of Duroplast (Urea) material
- S or P trap configuration installation
- Variable S trap pan connector (90-190mm set out)
- Optional extended S trap pan connector (190-225mm set out)

VENEZIA COMFORT RIMLESS

Designed for comfort, this suite is 40mm higher than the conventional 400mm height. This provides excellent comfort and ergonomics.

VENEZIA RIMLESS

Elegance and refinement in harmony, with definitive styling and fine workmanship is evident in every detail of the new range of Venezia Rimless toilet suites.

ADVANCED RIMLESS DESIGN FOR HYGIENIC FLUSHING

The rim areas of traditional bowls are difficult to clean resulting in unhygienic grime and germ build up.

In contrast, rimless toilet suites are easily cleaned and the efficient flushing system provides a more hygienic day to day experience.

HIGH PERFORMANCE RIMLESS FLUSHING

Rimless toilets use a direct flushing system which distributes the flushing water around the pan more effectively. This results in better cleansing of the bowl.

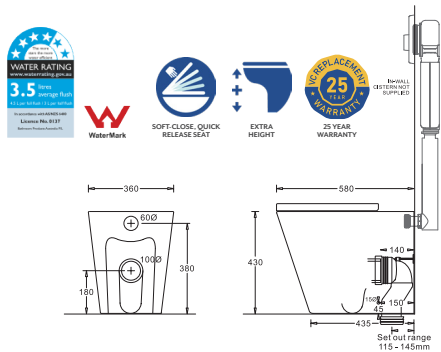

For bathrooms where space is limited, choose one of our new wall hung or wall faced rimless pans in combination with our in-wall cisterns. These short projection toilet pans provide exceptional compact solutions where space utilisation efficiency is essential.

VENEZIA BASINS & VESSELS

Bold lines with ultra thin edges make the cosmopolitan Venezia basin range timeless and versatile suitable for any modern bathroom interior.

Produced with the unique scratch resistant TITANIUM technology, it is proven to be 30% stronger and 40% lighter than conventional vitreous china basins.

SCRATCH
RESISTANT

DURABLE

LIGHT
WEIGHT

TITANIUM

An innovative ceramic technology developed to provide bolder, minimalist designs. TITANIUM technology permits ultra-thin edges, only 3mm thick without compromising product strength or durability.

With the latest trends to slim, minimalist lines, TITANIUM is a unique technology that turns bold architectural ideas into reality. This innovative ceramic technology enables products to be fashioned along clean, engineered lines whilst increasing strength and durability compared to traditional vitreous china.
